

# Forte School of Music Macarthur

## Jungle Babies

**6months  
to  
18months**

**This is the time for discovering music and having fun with learning. Your baby's life may be enriched by this early start in music and making music part of everyday family life.**

- ◆ Your beautiful baby is growing and learning a little more each day reaching one milestone after another.
- ◆ Developmentally, so much growing occurs between 6 months & 18 months.
- ◆ Your child's hearing abilities are developing in readiness for learning to talk.
- ◆ This is a wonderful time to introduce your baby to the world music.
- ◆ In class your child will experiment with a variety of percussion instruments, discovering their different textures and sound.
- ◆ Concepts, including fast & slow, high & low, soft & loud are explored.
- ◆ Activities also include rhymes, dances, directed creative movement, and singing.
- ◆ Your baby will be learning how to interact socially and most importantly, how to put things away – very nice training for the toy box at home!
- ◆ In our Jungle Babies programme you and your baby will have fun through music.
- ◆ You can be assured that you are helping to lay down fundamental neurological frameworks for your child's future learning.
- ◆ Learning music is linked with positive outcomes for children in all aspects of development, future learning capabilities and consequently their lives.

**And most importantly – It's lots of FUN!**
