What Will You Learn?

Our highly experienced instrumental teachers will cover many aspects of Music with your child. These include:

- Music Theory and History
- Sight Reading
- Musical Appreciation
- Aural development
- Rhythm
- Instrumental Technique
- Creative Development

All of our teachers will work to design an Individual Learning Program for each student.

During this process we like to get to know your goals and aspirations for learning music along with the kinds of music you/your child would like to play. We mix this with our expertise and develop a documented learning programme.

Every student is encouraged to join in our End of Term Concerts and our Forte Festival. This will assist your child to develop self confidence and self esteem.

And most importantly – It's lots of FUN!
